REPUBLICANS, ATTENTION!

The Republicans of Mason county are called to meet in Mass Convention at the Courthouse in Maysville, Ky., on Saturday, April 23d, 1904, at 1 o'clock p. m., standard time, to select Delegates to the State Convention to be held in Louisville on May 31, 1904, for the purpose of selecting Delegates and Alternates to the Republican National Convention in the city of Chicago, Ill., June 21st, 1904; also, for the purpose of selecting Delegates to the Convention to be held in Maysville, Ky., April 26th, 1904, for the purpose of selecting Delegates and Alternates from the Ninth Congressional District to said Convention.

W. D. COCHRAN, Chairman.

DURING the last naval scrap between the Czar and the Mikado in the Far East, the Russian Flagship Petropavlovsk "went to the bottom of the deep blue sea," with Admiral MAKAROFF and 700 other names.

At the Democratic Primary in Bath county a few days ago voters were auctioned off like sheep, selling for from \$50 to \$100 each; and yet the Democrats are the only people who want fair and honest elections!

THE Republicans of West Virginia are said to be engaged in a bitter factional quarrel, and the Democrats have a chance to carry the state in November. It is believed that practically the same state of affairs exists in Kentucky.

In spite of the fact that the suit of McCabe's Administratrix v. Maysville and Big Sandy Railroad Company—a damage suit originating in this city—was a few days ago called and dismissed in the Federal Court at Covington, Judge JOHN D. CARROLL, Judge of a Kentucky Court, has set it for trial in the Mason Circuit Court at the June term. The outcome will probably breed more fun than two barrels of monkeys.

AFTER losing several hundred dollars each in wages, the Cincinnati plumbers have returned to work. They "struck" some months ago because the bosses would not collect a \$25 fine which the Union had imposed on a couple of men, or would not discharge the men because they refused to pay the fine. This is one of the modern Labor Union innovations for which common sense would not stand; and the strikers have paid quite dearly for their foolish action.

If "G. M. W." only knew a part of what he thinks he knows about the labor question, he certainly ought to know that Union prices, as well as non-Union prices, are regulated according to locality. He cites a case occurring in Cincinnati and applies it to Maysville, forgetting, in the very case cited, that this skilled mechanic had there perhaps one week's work out of four, and that here he is employed the year 'round; that there he worked from 16 to 18 hours out of 24, while here he works only 9 or 10 hours out of 24, and all in daylight. If the gentleman is so sure that the Union prices of Cincinnati will apply in Maysville, maybe he will engage to secure for the Maysville papers the prices charged for advertising by the Cincinnati papers. He will find that THE LEDGER charges \$18 a year for the same space that the Cincinnati paper gets about \$250 for. If he will engage to fill these columns, and keep them filled, at Cincinnati advertising rates, THE LEDGER will pay its employees 10% more than the Cincinnati Union scale; besides, he shall have a salary of \$50 a week, which will certainly lift him above the level of pauper labor.

With this, THE LEDGER declines any further controversy with a gentleman so learnedly ignorant of his subject, and respectfully suggests another forum for airing his views of what he is pleased to call "pauper labor"—a Hall, for example.

KICKERS' CORNER

If any one at any time for any reason has any cause to "kick" in any way at anything of any kind, here's the place to say his say. The door is open—walk right in and help yourself, free gratis and for nothing—but don't make your "kicks" too long—it's the short, quick fellows that count—and cut.

The name of the kicker must accompany the kick, or it'll be kicked into the waste-basket.

HIRE A HALL!

Editor Ledger: I read in your paper of the 7th inst. that real first class mechanics is not a member of any Union and that they are employed at higher wages than Unions prescribe. I take this tip for the basis of a few remarks on just such a fellow in your employ. When I look over the make up of your paper and see reading matter and advertisements displayed in such a manner that the whole shows that the artist has been fingering with the forms, I naturally drift back to the time when this same skilled printer belonged to a Union that formulated a scale of wages that not only clothed and fed him sumptuously but left a margin of twenty dollars a week that he could send his mother. I will let you write the affidavit and I will acknowledge the same before any notary public or magistrate that if your books show that the weekly contribution sent by this man out of wages to his mother is now the wages he receives under the pauper system of employment now in vogue, that I am the greatest liar that ever uttered a word in behalf of labor.

The pleasant to take and harmless One Minute Cough Cure gives immediate relief in all cases of Cough, Croup and LaGrippe because it does not pass immediately into the stomach, but takes effect right at the seat of the trouble. It draws out the inflammation, heals and soothes and cures permanently by enabling the lungs to contribute pure life-giving and life-sustaining oxygen to the blood and tissues. One Minute Cough Cure is pleasant to take and it's good alike for young and old. Sold by J. Jas. Wood & Son, Druggist.

From 1870 to 1880 the number of births was 40.7 for every 1,000 inhabitants; during the following decade it fell to 38.2, and from 1890 to 1900 it was not more than 37.4, or about as much as during the '50s.

RUN DOWN, TIRED

NINE-TENTHS OF THE MAYSVILLE PEOPLE ARE IN THIS CONDITION.

Our Local Druggist, J. C. Pecor, Says "Vinol is What Every Man, Woman and Child Needs at This Season of the Year."

Many people right in this vicinity are all run down, no strength, hardly able to drag about. Don't know what ails them.

In ninety-nine cases out of a hundred it is simply a run-down condition of the system—in other words, general debility.

Our Vinol is the one great tonic reconstructor which they need. It will create strength, tone up the digestive organs, cure all stomach troubles, create a healthy appetite, make rich, red blood and strengthen every organ in the body to do its work. It will drive away every feeling of lassitude, heaviness and depression, and infuse new life and energy.

Vinol is not a patent medicine, contains no injurious drugs, but it is the most delicious and valuable preparation of cod liver oil known to medicine, without a drop of oil to retard its work.

Mr. Andrew Jackson of Springfield, O., writes: "Every spring for years I have found myself in a worn-out, run-down condition, with no appetite, and before commencing the use of Vinol was practically a dead man on my feet. I tried this wonderful remedy, and am satisfied that it has done for me what doctors have failed to do in all these years. I am well and strong, and my entire system is full of vitality. As a tonic for a run-down, tired, debilitated system Vinol stands at the head."

I wish every man, woman and child in Maysville who is in this condition would try Vinol and prove what it will do. J. C. Pecor, Druggist.

"DO IT TODAY."

The time-worn injunction, "Never put off 'til tomorrow what you can do today," is now generally presented in this form: "Do it today!" That is the terse advice we want to give you about that hacking cough or demoralizing cold with which you have been struggling for several days, perhaps weeks. Take some reliable remedy for it TODAY, and let that remedy be Dr. Boese's German Syrup, which has been in use for over thirty-five years. A few doses of it will undoubtedly relieve your cough or cold, and its continued use for a few days will cure you completely. No matter how deep-seated your cough, even if dread consumption has attacked your lungs, German Syrup will surely effect a cure, as it has done before in thousands of apparently hopeless cases of lung trouble. The funeral will take place today at his old home at Mt. Sterling.

New York Bride Becomes Her Mother's Sister-in-Law

In New York twelve years ago Jeannette Wilhelmina Francesca Schintzler fell in love at her mother's second wedding and proposed to her new father's brother, Claude Howard Rafter. Jeannette was only 6, but she knew how to "pop the question."

Now Jeannette Wilhelmina Francesca and Claude Howard Rafter have married as a result of Jeannette's proposal twelve years ago. "We haven't quite straightened out the relationship yet," said Jeannette, "but it's something like this: "My father will be my brother-in-law and I will be my little brother's aunt. I'll be my husband's niece and he will be his wife's uncle, and I suppose you might say I'll be my mother's sister-in-law."

Thousands Have Kidney

Trouble and Never Suspect it.

How To Find Out.

Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also convincing proof that the kidneys and bladder are out of order.

What To Do.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water, and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in fifty-cent and one-dollar sizes.

You may have a sample bottle and a book that tells all about it, both sent free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention this paper and don't make any mistake, but remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y.
